Dear Parent/Carer,

**Donation Request for Second-hand Boys Black Leather/Leather Look Shoes**

As part of our ongoing efforts to ensure that every student feels comfortable and supported during their time at the Academy, we are reaching out to you with a special request from our pastoral team - we are currently in need of second-hand boys' black leather or leather-look shoes, in size 6 or above.

These shoes will be used by students who may not have access to appropriate footwear, either due to financial constraints or other circumstances. By providing gently used shoes, you can directly contribute to enhancing the well-being and confidence of these students, whilst helping to support the aims and values of the Academy.

If you have any boys' black leather or leather-look shoes that your child has outgrown or no longer needs, we would be incredibly grateful for your donation. Please feel free to drop off any donations into Reception during working hours.

Thank you in advance for your kindness and support. Together, we can create a nurturing and inclusive environment where every student has the opportunity to thrive.

**Kind regards**
