Toby Durham

Toby joined Canford in the Sixth Form on an academic scholarship. During his time at the school he has enjoyed trying a wide variety of activities, making the most of all the opportunities on offer. In sport, Toby particularly got involved in Rowing, Real Tennis and Squash. He also successfully completed his Bronze and Silver Duke of Edinburgh awards, developing his teamwork and leadership skills.

Toby has a passion for Business Economics, ignited while studying at The Bourne Academy where he was part of a team who won the 2020 National Enterprise Challenge to create a new flavour of protein bar for Grenade. He continued this interest during his Sixth Form studies at Canford and ultimately decided to apply to read the subject at university.

Toby gained A Levels in Biology, Business and Chemistry and is now reading Business Economics at the University of Surrey.
