

THE **BOURNE** ACADEMY

20 March 2025

RE: Pimple Patches

Dear Parents and Carers,

I hope this message finds you well.

We are writing to inform you of a small but important update regarding the Academy's uniform and appearance guidelines. From Monday, 24th March, students will be asked to remove brightly coloured pimple patches from their faces. We have noticed that these patches have become increasingly popular among students in recent weeks.

We kindly ask that any pimple patches worn by students be clear or neutral in colour, as they should remain undetectable when worn. This adjustment ensures that students feel comfortable while maintaining our uniform policy.

As always, we appreciate your continued support in helping us maintain a positive and respectful environment at The Bourne Academy.

Thank you for your understanding.

Mrs Franklin
Assistant Principal Inclusion
