

10<sup>th</sup> February 2025

Dear Parent/Carer,

With the success of the Year 11 revision room, I am pleased to say that we will be continuing this provision after February half term. With the Mocks and GCSE exams fast approaching I would encourage students to take this opportunity and sign up to these sessions.

We are aware that this revision room overlaps with some students accessing coursework catch up sessions. Where this is the case coursework catch-up sessions MUST be the priority.

Each session will have a CORE subject focus, with a specialist subject teacher supporting the session, please see the table below for which sessions are running on which day.

Refreshments will be provided for students, to encourage a relaxed and comfortable learning environment, to support students' studies.

Wednesday 26.2.25	STEM 21	SCIENCE
Wednesday 5.3.25	STEM 21	MATHS
Wednesday 12.3.25	STEM 21	ENGLISH
Wednesday 19.3.25	STEM 21	SCIENCE
Wednesday 26.3.25	STEM 21	MATHS
Wednesday 2.4.25	STEM 21	ENGLISH

**All sign-ups need to be completed by Monday 24 February 2025 at 3:00pm.**

Please use the link below to sign up.

### **Year 11 Mocks**

With the second set of Year 11 Mocks starting very soon after February half term, I am pleased to share with you the Year 11 Mock timetable.

CORE subject exams will be taking place in Exam rooms, with non-Core subjects sitting Mocks during lesson time commencing the week of 24<sup>th</sup> February.

This will be the last set of Mocks that Year 11 will sit before their GCSE exams in the summer. It is vital that students take these exams seriously and try their best with every exam.
