

16th October 2024

Dear Parent/Carer,

To further support Year 11 students at this important time as we approach Year 11 Mocks and with the summer exams fast approaching, we are going to support students by offering a revision room on a Wednesday from 13:35pm-14:35pm. This will take place in STEM 21 where students will have access to computers to support studies and any coursework that needs completing.

We are aware that this revision room overlaps with some students accessing coursework catch up sessions. Where this is the case coursework catch-up sessions should be the priority. If the revision room is being well utilised, then we will look to expand this provision across more days.

Each session will have a CORE subject focus, with a specialist subject teacher supporting the session, please see the table below for which sessions are running on which day.

Wednesday 23.11.24	STEM 21	ENGLISH
Wednesday 6.11.24	STEM 21	MATHS
Wednesday 13.11.24	STEM 21	SCIENCE
Wednesday 20.11.24	STEM 21	ENGLISH
Wednesday 27.11.24	STEM 21	MATHS
Wednesday 4.12.24	STEM 21	SCIENCE
Wednesday 11.12.24	STEM 21	ENGLISH
Wednesday 18.12.24	STEM 21	MATHS

We would encourage students to take advantage of this opportunity and ask that if your child would like to attend then please click on the link below. Please select each session a student would like to book to ensure the room is appropriately staffed. Please can all sign ups be completed by Friday 18 October at 15:00pm.

Refreshments will be provided for students, to encourage a relaxed and comfortable learning environment, to support students' studies.

Yours faithfully,

Mr Tom Peacock
Head of Year 11
